Full Job Description

Full-Time Physician Assistant and/or Certified Family Nurse Practitioner position located in **Eatonton, Georgia in Georgia's beautiful lake country near Lake Oconee!**

Eatonton Medical & Surgical Center is growing and we're looking to hire a fast, fun, and friendly Physician Assistant and/or Certified Family Nurse Practitioner (FNP) to join our team full time! We are looking for a practitioner to diagnose and treat health conditions, as well as promote good health practices. As an Physician Assistant and/or a Nurse Practitioner, you will be our go-to person for ensuring the best patient care possible.

- The job description of an FNP or PA includes conducting physical examinations, interpreting lab tests and overseeing patients' health. You'll be both a health practitioner and an educator, supporting disease prevention practices and helping people lead healthy lives.
- You should have experience in all of the following specialties: family health, Geriatric health, and women's health. The ideal applicant should have a team spirit and a positive attitude and be able to work with a small team while working in a family focused Primary Care environment under the supervision of primary doctor at Eatonton Medical and Surgical Center. Patience, problem-solving skills and communication ability are important. If you're dedicated to advancing your knowledge and clinical expertise through research and professional discourse, we'd like to meet you!

Responsibilities

- Examine patients and their medical records
- Order and study diagnostic tests (blood tests, X-rays etc.)
- Diagnose health conditions and illnesses
- Propose treatments for chronic illnesses
- Prescribe medications
- Maintain accurate records and schedules
- Inform patients about their health conditions and prescribed medications
- Educate patients and their family members on diseases, epidemics and prevention
- Oversee patients' overall health
- Promote good health practices
- Provide patient care to the residents at the nursing home, home health, and hospice agencies with which EMSC has a business relationship (shared responsibilities with Primary Doctor)
- Advance knowledge/Participate in patient education seminars at the office
- Occasional Telemedicine when needed per COVID-19 recommended guidelines

Skills

- Proven experience as Physician Assistant and/or a Nurse Practitioner in a clinic, private practice, hospital, ER or other related setting
- Expertise in primary care and chronic care practices
- Knowledge of health and patient care regulations
- Excellent communication skills
- Strong ethics
- Team spirit with a positive attitude
- Patience and cool-headedness
- Willingness to continue gaining knowledge and clinical experience

Schedule:

Eatonton Medical & Surgical Center Hours

- Monday – Friday 8:00 a.m. – 5:00 p.m.
- Family Nurse Practitioner and/or Physician Assistant should be available to provide professional services during evenings, weekends, holidays on a stand-by, on-call basis. This duty shall be shared with primary Doctor (Weekend call coverage for a maximum of 16 weekends during a full calendar year.)

Qualifications:

- Valid Physician Assistant and/or a Nurse Practitioner license required
- Bachelors Degree, MSN, or higher education required
- Excellent written and verbal communication skills
- Experience working in EMR (*eClinical Works experience a plus!) and Microsoft Office suite (Word, Excel, etc.) preferred
